Shari'ah Structure

Term Deposit is an investment account, under which the Account Holder (fund provider or Rabb-ul-Mal in Fiqh terminology) authorizes the Bank (investment manager or Mudarib in Fiqh terminology) to invest its funds on the basis of unrestricted Mudaraba contract according to the principles of Islamic Shari'ah.

The Mudarib contributes by providing his services and skills in investing and managing these funds. Both the parties share the profit as per the agreed ratio. Losses, if any, are borne by the Rabb-ul-Mal, unless the loss has been caused due to breach of trust by the Mudarib i.e. misconduct or negligence in which case the loss has to be borne by the Mudarib.
