### Sharia' Structure

Savings Account is an investment account, under which the Account Holder (fund provider or Rabb ul Mal in Fiqh terminology) authorizes the Bank (investment manager or Mudarib in Fiqh terminology) to invest its funds on the basis of unrestricted Mudaraba contract according to the principles of Islamic Sharia'.

The Mudarib contributes by providing his services and skills in investing and managing these funds. Both the parties share the profit as per the agreed ratio.
